

A logo and tagline alone won't set you apart—what matters is how your audience feels when they experience your brand. **Visually. Intellectually. Emotionally.**

I help brands move from forgettable to unforgettable by building identity, relevance, and emotional connection.

MY PROMISE TO YOU...

- Our collaboration will **bring clarity** to your brand
- You'll be ready to **amplify your brand** with **confidence and consistency**
- Your team will have **all the support needed to create on-brand materials** with clear **brand standards and messaging**, a comprehensive **brand library** integrated into your existing systems, and **templates** in the apps you use most
- Your organization will receive **concise brand training** to set you up for success

DO I HAVE ALL THE ANSWERS? NO.

That's why I'll work with your team to understand your needs, your business, your culture, and your customers. This helps inform the research, recommendations, and tools that will move your business forward.

Services to Fit Your Needs

END-TO-END FRACTIONAL BRAND LEADERSHIP

1. Discovery

I work with your team to understand needs, budget, culture, and customers.

2. Foundational Research

External analysis for competitive landscape, market opportunities, and customer personas.

3. Brand Strategy

Recommendations for brand pillars, archetype, promise, and architecture based on steps 1 and 2.

4. Concept Testing

Focus group testing of three creative concepts for messaging and visual identity.

5. Brand Activation

Approved creative concept brought to life: visual identity, messaging matrix, brand library integration, brand standards, templates, team training, and digital/print/social/web guidance.

ADDITIONAL SERVICES

I also offer creative and brand execution support: trademark protection, product naming, marketing materials, operations review to align all brand experiences to your brand promise, and ongoing brand oversight.

A LA CARTE SERVICES TO MEET YOU WHERE YOU ARE

Already have a logo, research, or competitive analysis? Let's build on what you have to refresh and clarify your brand.

BRAND = PERCEPTIONS+EXPERIENCES

If your brand is just a logo, you missed the point.

If it only shows up in marketing,
you missed the moment.

If it's not alive in every touch point,
you'll miss your customers.

Branding isn't what *you say*—it's what *they feel*.
